

### Reception Topic Overview

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Ourselfes	Hip Hip Hooray	I Need a Hero	Alive Alive Oh	Under the Sea	To Infinity and Beyond
As a way of getting to know each other we will begin the year sharing and talking about ourselves and our family. Children will create family portraits and self-portraits and we will look closely at our local environment and places that are special to us.	We will look at various Celebrations such as birthday parties, Divali, Bonfire night and Christmas. We will discuss Celebrations of significance to us.	We begin by sharing the superheroes we know and designing the Ultimate Superhero, combining the most effective powers! We then move on to everyday heroes and hope to be visited by police, fire fighters and paramedics.	As the season progresses we will investigate the changes that occur in the natural environment. We will study mini beasts and plant our own bean; observing its growth and keeping a diary of the changes that occur.	We will be diving into this topic by reading books such as 'Commotion in the Ocean'. We will study under water creatures and create information pages and fact booklets.	As our journey in Reception comes to an end we will start to think about our journey into Year 1! We will enjoy adventures in space and will look at different modes of transport.
